

# ***CONFIRMATION NAME & SAINT PROJECT***

All candidates need to choose a name of a Saint to be used for your Confirmation Name. You can retain your baptismal name as long as it is a Saint's name. Please do some research on the Saints; how did they live out a holy life? What are ways they showed their love for God? How did they love others? How did they bring others closer to Jesus? How did they use their gifts/talents to serve and glorify God? Choose a name that is important to you, that you would like to pattern your life after. It is not a legal name and you do not use it normally when you are asked to give your name.

**You have a few options on how to let us know about the name you have chosen and your personal connection to the Saint. With common names (Elizabeth and John for example) there are multiple Saints. Make sure that you specify which Saint that you are connecting with as far as your Confirmation name.**

**Choose one of the following:**

- **Write a brief (one page) essay about the Saint you chose for your Confirmation name.**

or

- **Submit a power point presentation (either by a labeled cd or a zip drive; we will return drive)**

or

- **Submit a poster board that explains your connection.**
