Sacred Heart Respect Life Group

"Before I formed you in the womb I knew you, and before you were born I consecrated you." Jer.1:5

Our Mission: To promote a strong respect for life from conception to natural death.

We Need You

We would like to thank everyone who has been called on to help since we began the Respect Life group. If you have not yet been asked, know that we know you signed up and we will be asking for your help. Be sure we have your correct email address and phone number; we have had some email returns for incorrect email addresses. If yours has changed since you signed up, please send any changes to **Marilyn Metz** at the email address below. If you have not received the Newsletter we sent out in December, please go to the Sacred Heart website: sacredheartofcicero.org

Our Prayer List is up and running. If you know of someone who needs extra prayers, perhaps upcoming surgery or serious illness, or if you would like to receive those notices to pray for others, please call or email **Beverly Kempisty** at the email address below.

We would like to know if you would like to receive the minutes of our steering committee meetings, and if you would be interested in a 'meet and greet' reception one weekend after the Masses, to put faces with names, and let us know who you are. Please email **Beverly** at her email address below with your thoughts.

With the Health Care Reform Bill currently being finalized, we will let you know when we need your help in contacting our representatives in Washington.

A very special pro-life event is happening during Lent. **40 Days for Life** asks for pro life individuals to fast and pray especially during Lent, and if you are able, to spend 1 hour a week outside of Planned Parenthood. At least one baby that we know of has been saved by a prospective client asking questions of pro lifers. You can sign up, or get more information at 40daysforlife.com

prayercampaign.org is a wonderful site for pro life prayers.

Please feel free to contact us at any time with ideas, or questions. We welcome your involvement.

In Christ,
